PETITION TO WITHDRAW FROM ISSUE UNDER 37 C.F.R. 1.313(c)

Sir:

Applicant respectfully requests that the above application be withdrawn from issue under 37 C.F.R. 1.313(c). Withdrawal of the application from issue is necessary to make important amendments to the application. Please consider the accompanying Request for Continued Examination under §1.114, and the associated amendments. The reason that amendments are necessary is because the specification and drawings identify the invention using a trademark that the applicant has since agreed not to use. This trademark was the subject of an opposition. Because the issue fee was paid on 1/30/2006, Applicant requests quick withdrawal so that the patent does not issue before considering the Request for Continued Examination.

Amendments to the Specification begin on page 2 of this paper.

Amendments to the Drawings are explained on page 3. The accompanying drawing sheets replace the current drawing sheets.

Listing of Claims begins on page 4 of this paper.

Remarks begin on page 11 of this paper.
